2015 Arts & Crafts Auction: Boots and Ballgowns Under the Big Top! Items Remaining — Bid with Mackall in the office!

Secret Screening!

Join Madrona movie makers and shakers, Bryan Cole and Erin O'Hara for an evening of food and movie watching. Bryan will surprise us with a movie — come to be surprised! May 16, 2015. Each spot \$30 (15 spots opened)

Whisky and Whiskey with the board chair!

Come learn to savor the spirits with the Madrona Board Chair. We'll sample at least 5 rare and fine drams from across the spectrum of whiskies while learning what goes into their creation. We'll explain Single Malts, Blends, and other whisky words at a night you won't soon forget! Enjoy a fun and fact filled evening with friends, food, and fine drinks at the Campaign Room above Pegasus Coffee House on November 14, 2015. Each spot \$125 (only 3 left)

Auction Night Sleepover for 4 Children.

Rest easy, next year's auction childcare is set! Up to 4 children age appropriate for a sleepover at the Kist's. Come join Abe and Will for movie night. Drop them off on the way to the event and pick them up the following morning! Snacks, dinner, gelato and breakfast included. Bring sleeping bags and whatever else may be specifically required. We will handle everything else! Each spot \$120 (only 3 left)

Nutritional Coaching- Liza Pascal.

Liza brings together her Masters in Chinese Medicine, a thorough understanding of the energetics of food, unbiased studies of science-based evidence, 10 years of practice in the healing arts and her uncanny sense of intuition to personalize and customize a nutritional plan that fits you like a glove. Liza believes food is the best medicine and the most effective method to making the biggest difference in your life. She meets you where you're at and helps guide you to where you want to be. If you take her suggestions to heart, you will have the knowledge you need to use food and nutrition to take back your health and manage your own symptoms like a pro. Your first session is followed up by a detailed email report complete with a clear vision of what you are most trying to achieve, recommendations that fit into your lifestyle, and a few suggestions that will be outside your comfort zone (just in case you are on the fast track to health).
